

Hi Liz!

I have been meaning to write you for the last few days. I thought I would give you a quick update on Winnie. She is doing fabulous. I have attached a picture of her and my other dog Daisy.

The two of them are absolutely loving each other. As soon as they get out of their crates they are seeking one another out to play and wrestle. So fun!! I know I mentioned it when I was at your house but wanted you to know that if you ever need a reference I am happy to do so. Having worked with 2 different breeders I can attest to the importance of a great breeder. Winnie is doing GREAT potty training largely in part to the "imprint" you gave her prior to leaving. I am also happy to report she is sleeping through the night. She got up at 5 am the first 2 nights and ever since then, she does not stir up until I wake to get my oldest to school at 6:30. Nice, huh?

Hopefully you also got the mail I sent from the vet's office giving her a clean bill of health when I took her last Monday morning.

Thanks again for everything!

Amy
